Marinor

Foreword

Our days at San Marino Hall have given us many fond memories—exciting dances and gay parties, meeting new friends and parting with old ones; the wonderful experience of growing up. All these and many more we have to remember.

The purpose of this annual is to relive the memories of the past year. We, of the annual staff, have tried to give you a book recalling the friends and events of 1961. We hope that, as you go through these pages now and in the years to come, you will find at least a few of your fondest memories.

Dedication

In past years, the Marinor has been dedicated to one person, a teacher or administrator respected and loved by the entire student body. We, of the 1961 Marinor staff, are going to break this tradition and dedicate our annual to a funny, furry little teddy bear, named Samaha. Now we realize that Samaha is not and probably never will be a figure of famous greatness, but he is our school mascot, and very dear to our hearts. In his happy face is mirrored all the good times we have had at San Marino Hall, the fun and the laughter. There have been bad times too, and Samaha has been our faithful companion, listening sympathetically to all our troubles.

With this dedication to Samaha, we wish to express our love and loyalty for the school he represents. San Marino Hall has taught us more than just the three R's; this school has been the proving ground of our maturity, an environment in which to grow and achieve. To Mrs. Wright and Dr. Robison and to all the wise teachers who have helped and counseled us through many trying hours, we say "thank you."

Founders

GIVING ALL — DARING ALL

Always a lover of strength
A shelter in the storm.

Once in a dark and troubled time
When I saw no road ahead,
Two wise and kindly counselors
Sat by my side and said:

Each morning we drive down the road
To get to our work, and we
Can often see nothing at all for the fog
That blots out the earth and the sky.

But we say to ourselves, WE SHALL DRIVE AHEAD
Carefully without light
For we know we shall come unto higher ground
Where the hills are gold with light
And WE JUST KEEP ON.

O wise, kind words
That fell on my heart that day
NOTHING can blot them from my mind
NOTHING can take them away.

Administration

Mrs. Wright

MRS. WRIGHT — A mere "thank-you" could never express the full measure of our gratitude. Through the years you have given us patience and understanding when we were most in need, and wise discipline when our actions warranted it. By your example, we have gained in confidence and poise; your etiquette meetings have taught us courtesy and social graces. For your help and kindness in these and in so many other instances, we are forever indebted to you. The respect and admiration we hold for you will endure long after graduation, and we will always have a very special spot in our hearts for you, Mrs. Wright.

Dr. Robison

DR. ROBISON — Dr. Robison, we wish to express our sincere gratitude and appreciation for the patience and guidance you have cheerfully bestowed upon us throughout the year; in helping us to comprehend the most important ideals in our lives—love and kindness.

Though the paths that lie ahead of us may be stormy, the wisdom you have passed on to us will long endure. In meeting the milestones in the future after graduation, we shall try to bring honor to ourselves and to our school.

Our fondest prayers will be with you forever.

Seniors

LINDA BARNES — A friendly smile, sparkling brown eyes, and a warm and bubbling personality. Linda has been a popular member of our school, serving as Vice-President of the Student Body, Student Council member, President of the Glee Club, Annual Staff, Girls' Athletic Association, Riding Club, Cheerleader, and Art Editor of the Samaha.

Linda will never forget the 7:00 bell which she never manages to hear; and she will always be remembered for saying, "When is the next boat leaving for Catalina?"

Linda's talent and perseverance have brought her success in dramatics, and in sports, such as swimming, surfing, and riding; and we know she will achieve success also in her chosen career—surgical nursing.

PATRICIA WILKINS — Beautiful long eyelashes, pleasant smile, and deep auburn hair. Pat's particular quality of leadership has enabled her to work generously with all of the girls, serving as Student Council member, President of the Senior Class, Editor of the Annual, and Girls' Athletic Association.

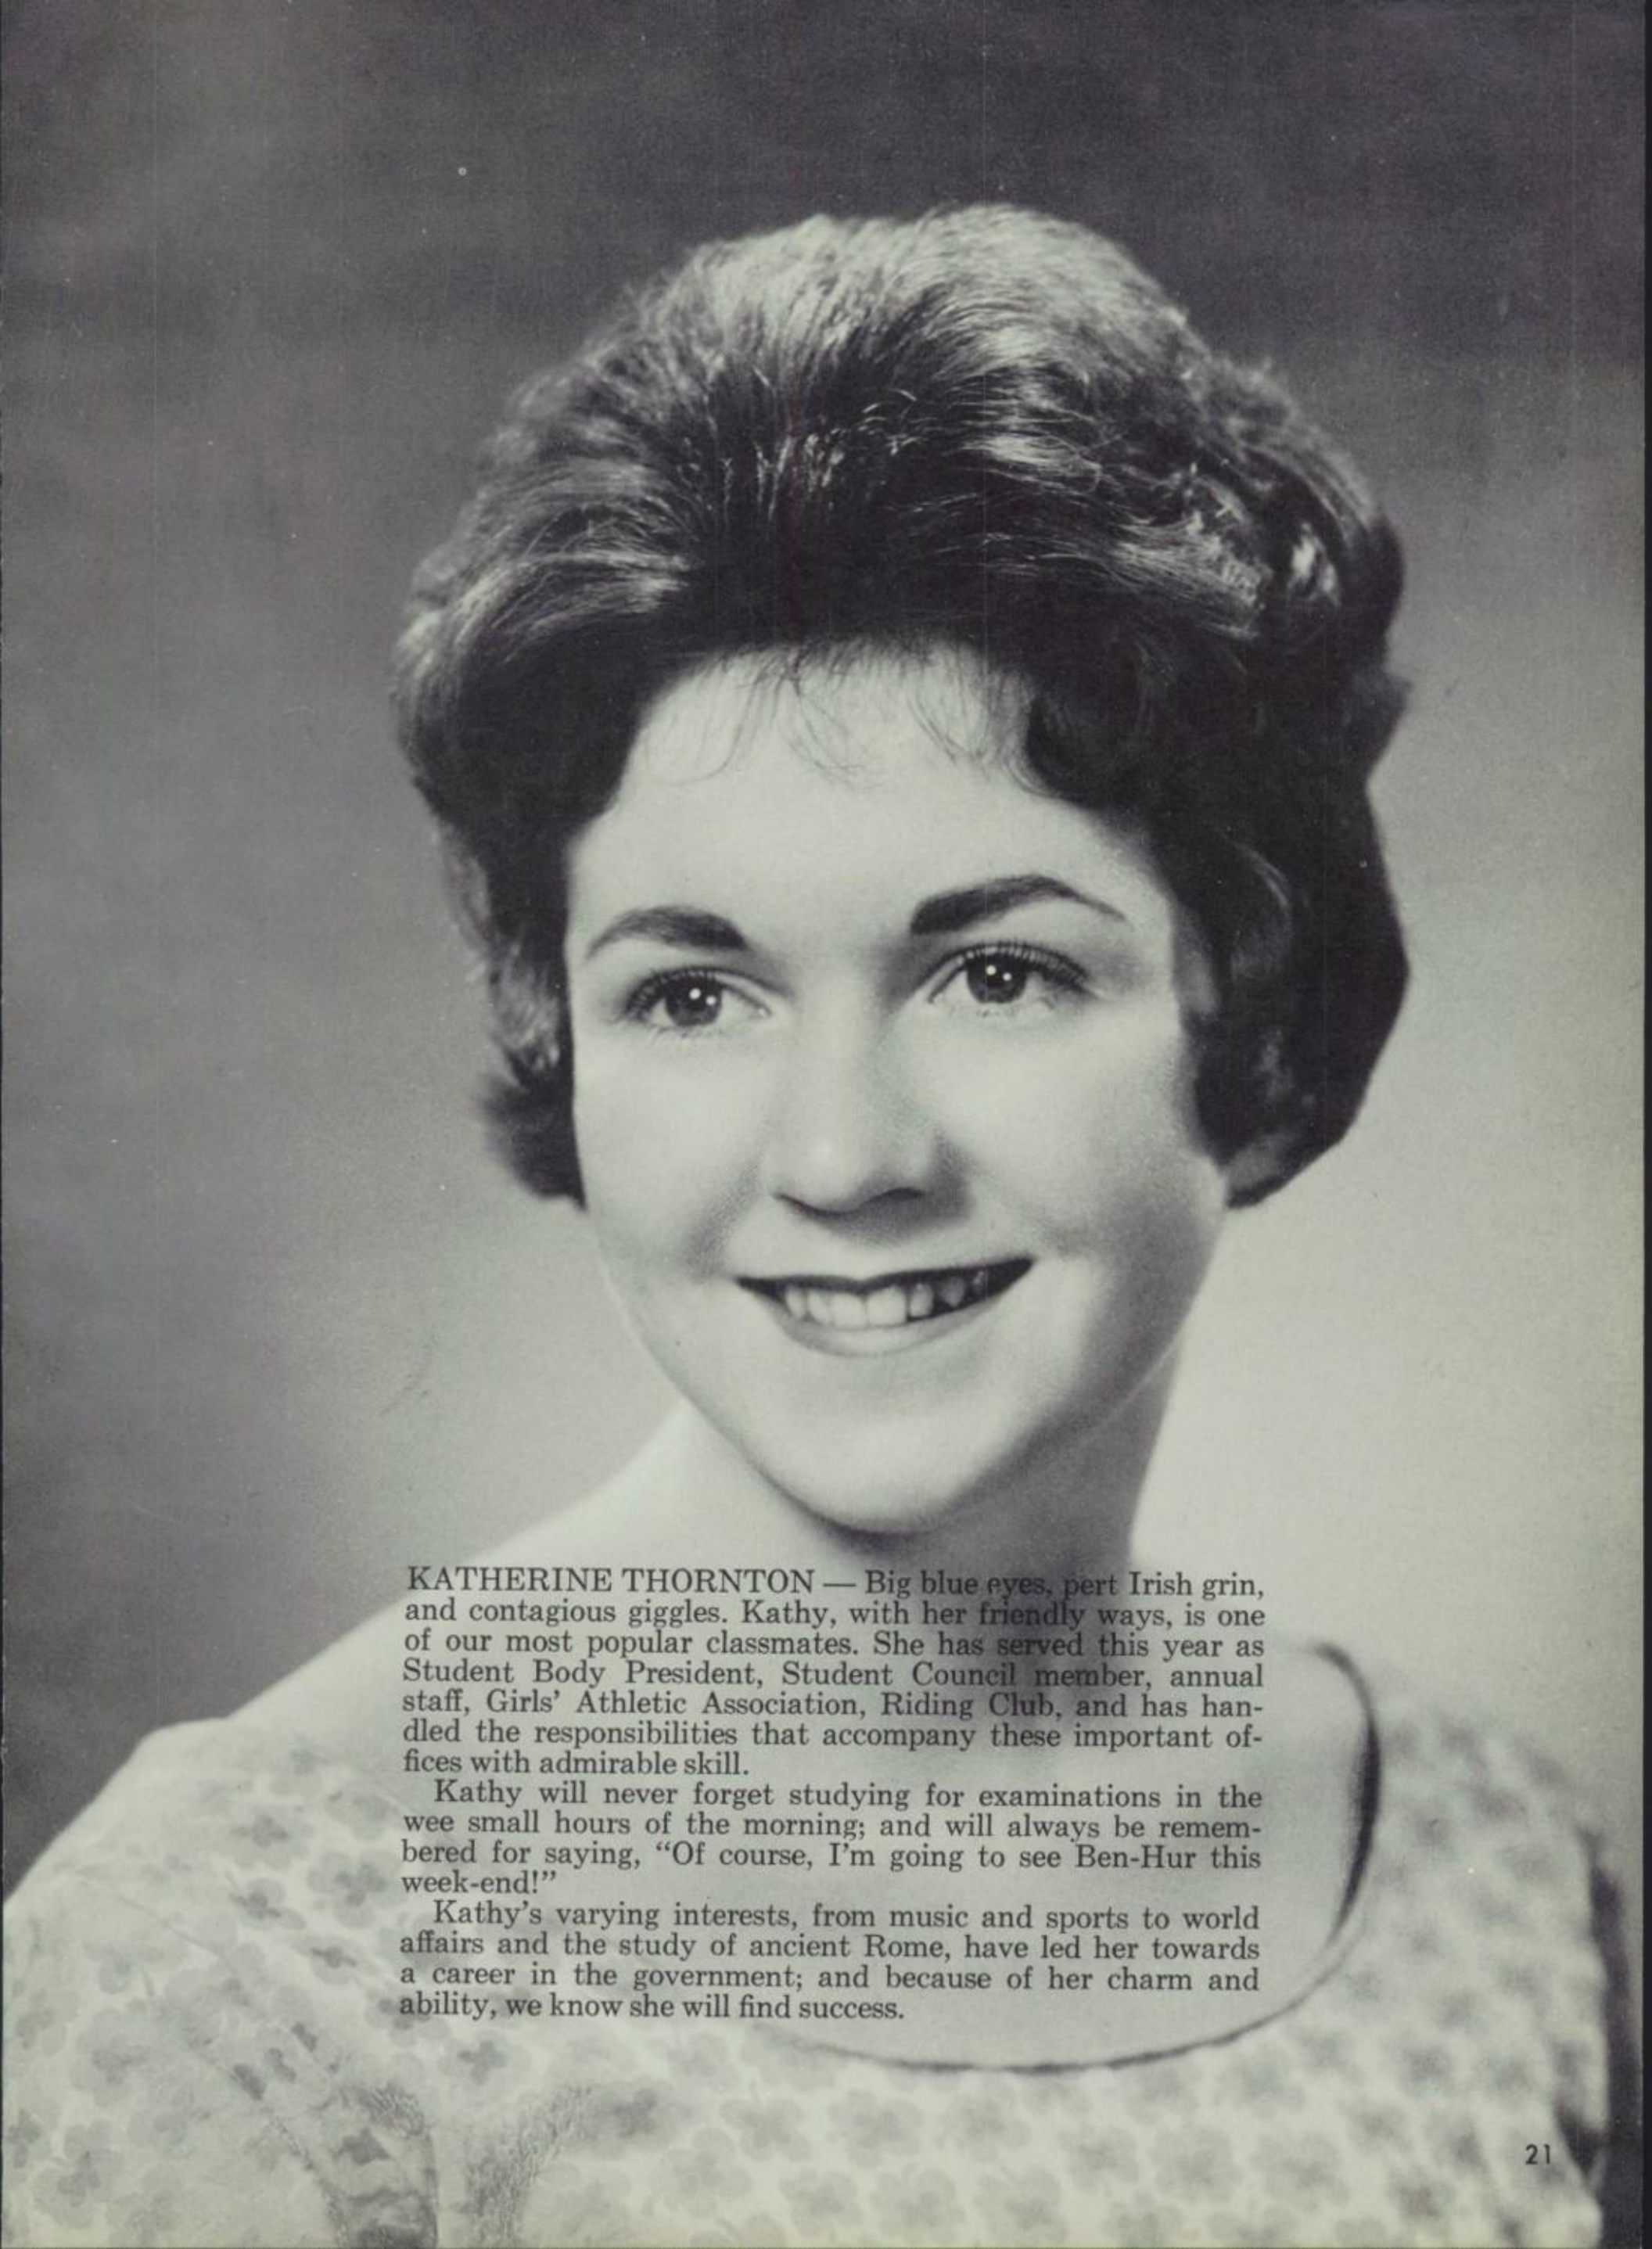
Pat will never forget contracting measles in the middle of her Senior year; and will always be remembered for saying, "It just has to snow by Friday!"

Pat has earned the merit of being a truly good student through her diligence and interest, and her ceaseless service to the school will long be remembered. Pat desires to acquire a cultural and educational background for her future life.

VALERIE WAITE — Mysterious smile, golden hair, and a quiet, pleasant manner which has won the respect of all. With calm efficiency she has served ably as Assistant Editor of the Marinor and member of the Girls' Athletic Association.

Val will never forget climbing the long staircase after study hall; and she will always be remembered for saying "Time for exercise!"

Valerie's charming ways will bring her friends wherever she goes and her intense interest in politics may develop into an exciting career.



KATHERINE THORNTON — Big blue eyes, pert Irish grin, and contagious giggles. Kathy, with her friendly ways, is one of our most popular classmates. She has served this year as Student Body President, Student Council member, annual staff, Girls' Athletic Association, Riding Club, and has handled the responsibilities that accompany these important offices with admirable skill.

Kathy will never forget studying for examinations in the wee small hours of the morning; and will always be remembered for saying, "Of course, I'm going to see Ben-Hur this week-end!"

Kathy's varying interests, from music and sports to world affairs and the study of ancient Rome, have led her towards a career in the government; and because of her charm and ability, we know she will find success.

PATRICIA HAYDEN — Sunny disposition, gleaming blond hair, and lovely blue eyes. Patty is industrious and her willingness to participate has made her a fine worker. Her service as Senior Class historian, annual staff, member of the Girls' Athletic Association, and riding club have been very much appreciated.

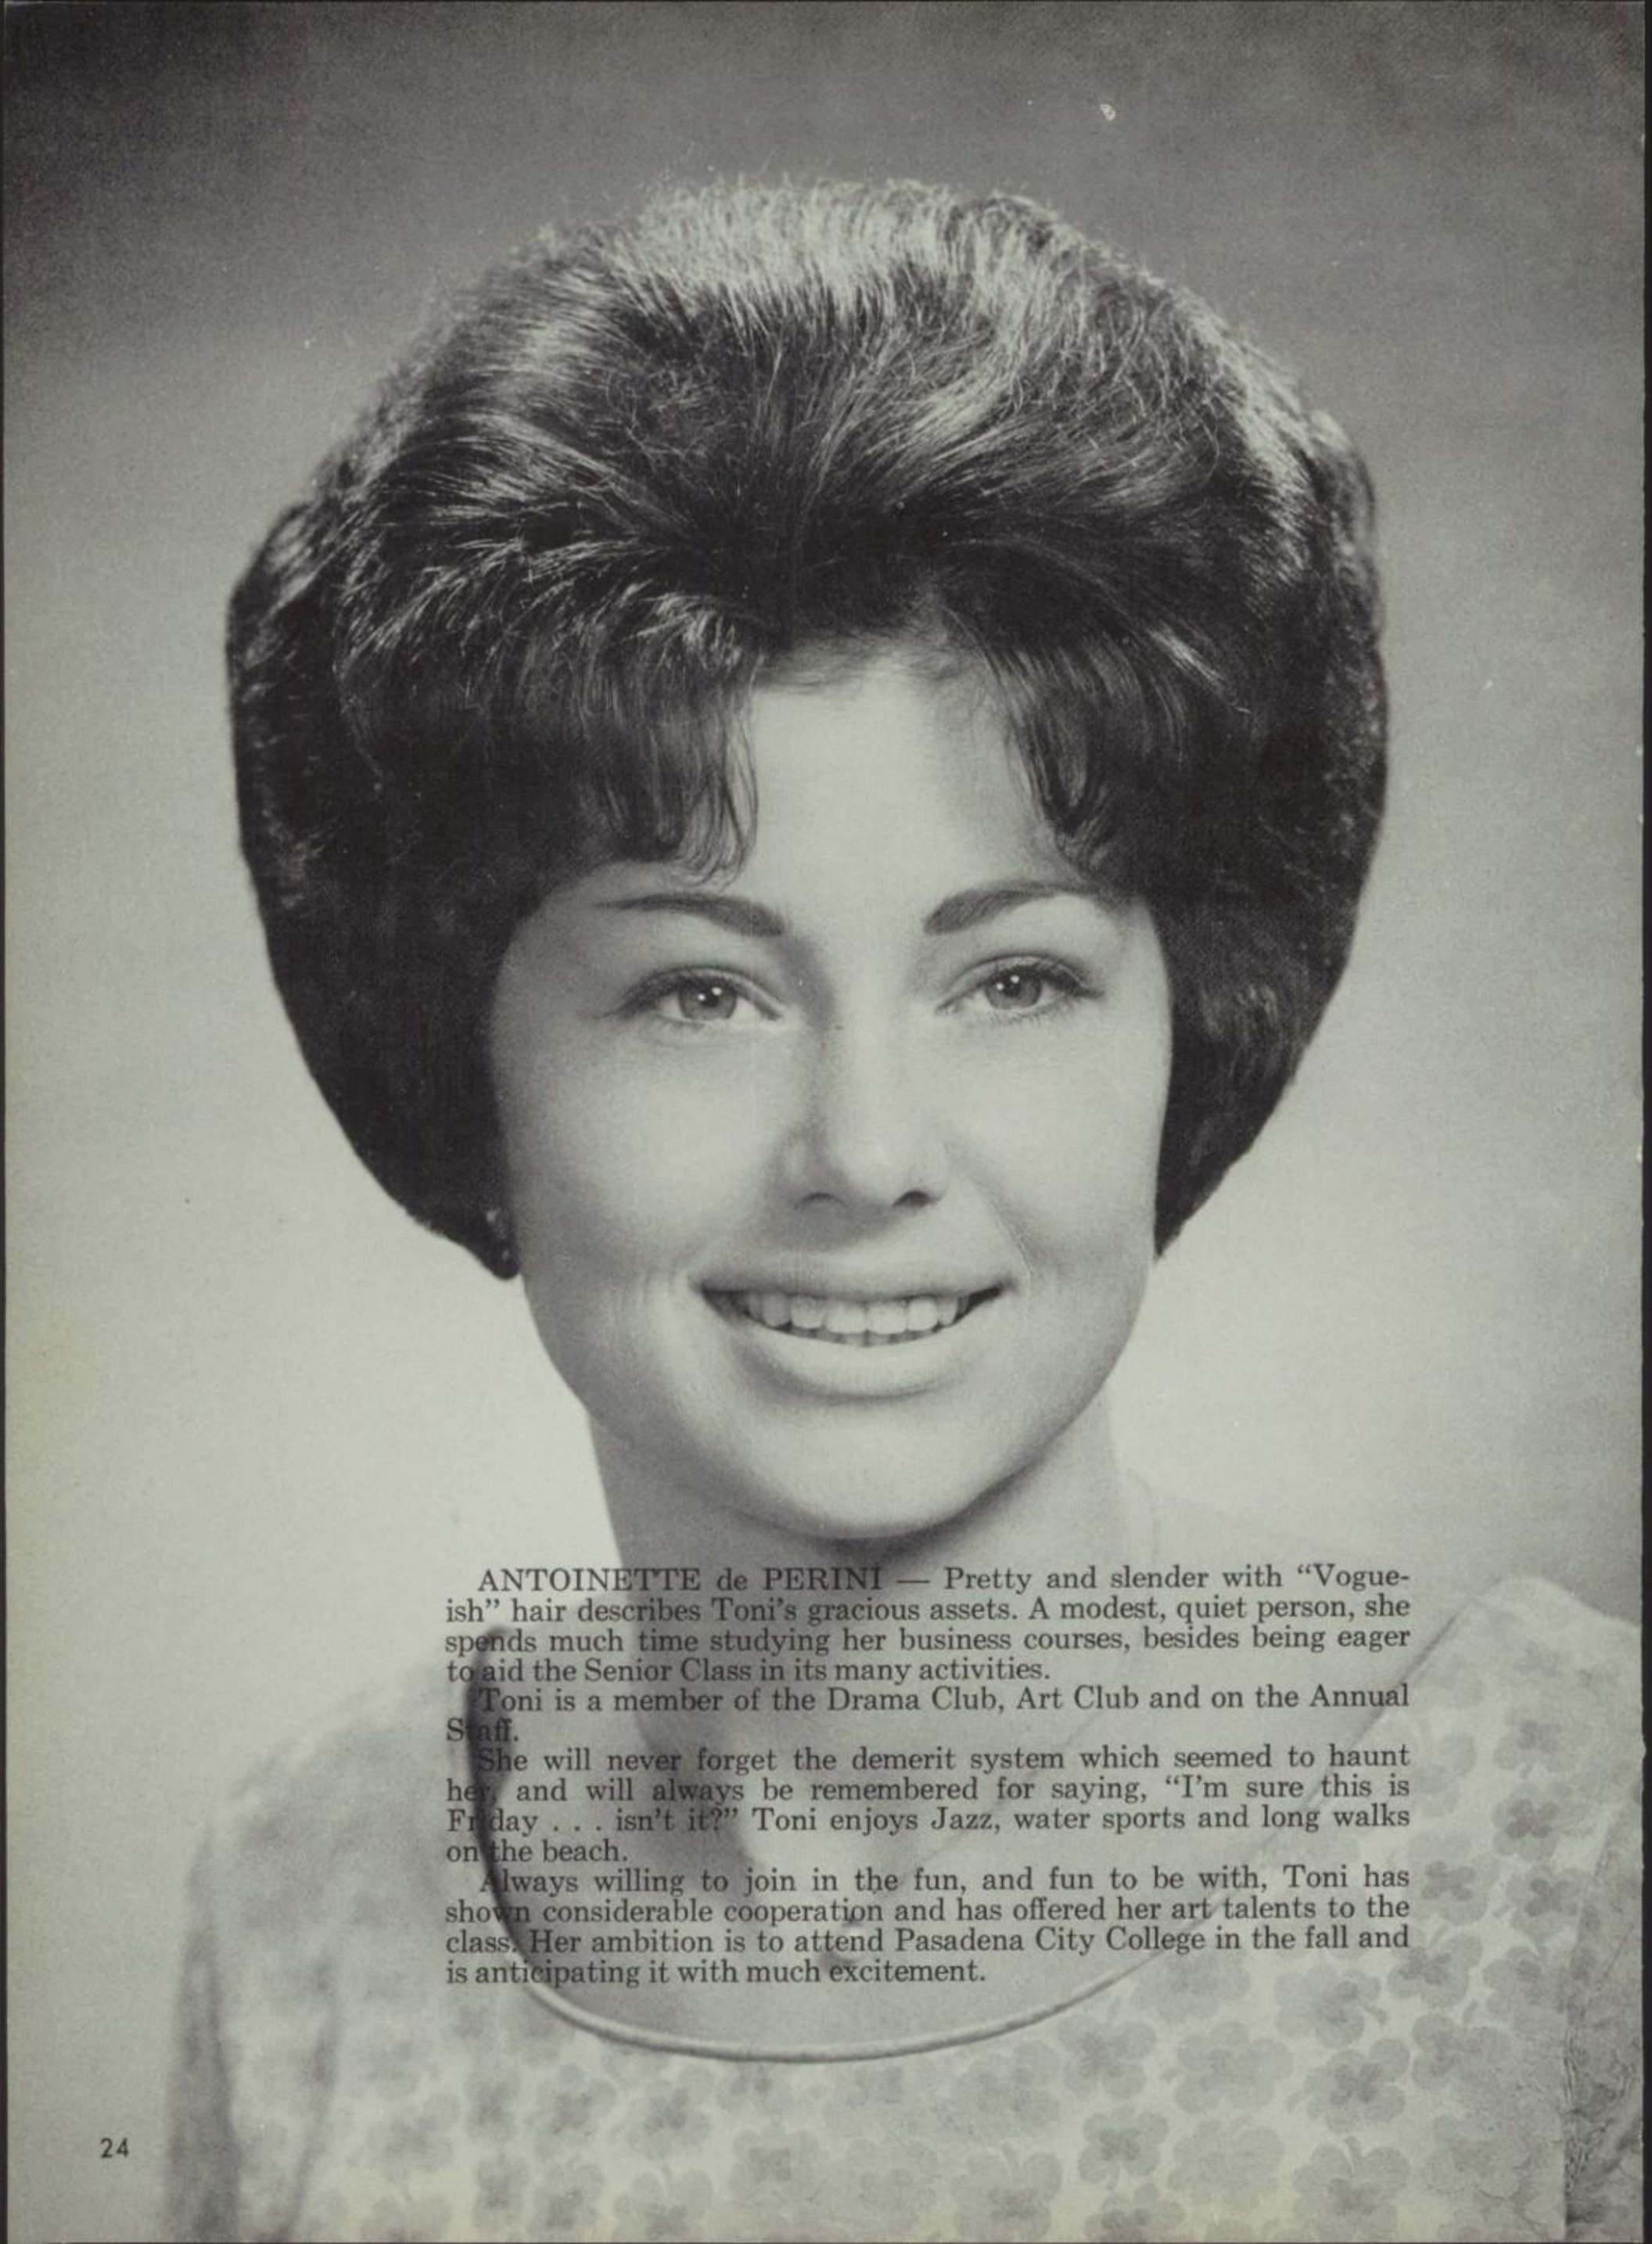
Patty will never forget "Dorm Five's" sunrise serenade, and she will always be remembered for saying, "Are we going to have a Senior Class meeting?"

Patty is a conscientious student and her many fine qualities will contribute toward her successfully achieving a career in pre-school teaching.

ERNESTINE JONAS — Long pony tail, dainty hands and slim figure. Ernestine has been a student at San Marino Hall for many years and has always been willing to lend her hospitality to welcoming new students.

Ernestine is Vice-President of the Senior Class; a member of the Annual Staff, Drama Club, and Art Club. She will never forget the laboratory experiments in Chemistry and will always be remembered for saying, "When is the next dance?"

Ernestine enjoys painting, reading and participating in sports. Her joking and humor have branded her "class clown" but, on the serious side, she has always endeavored to maintain a good average in school. A kind person, Ernestine has the qualities to make her life-long wish come true—majoring in nursing at the University of Santa Barbara.

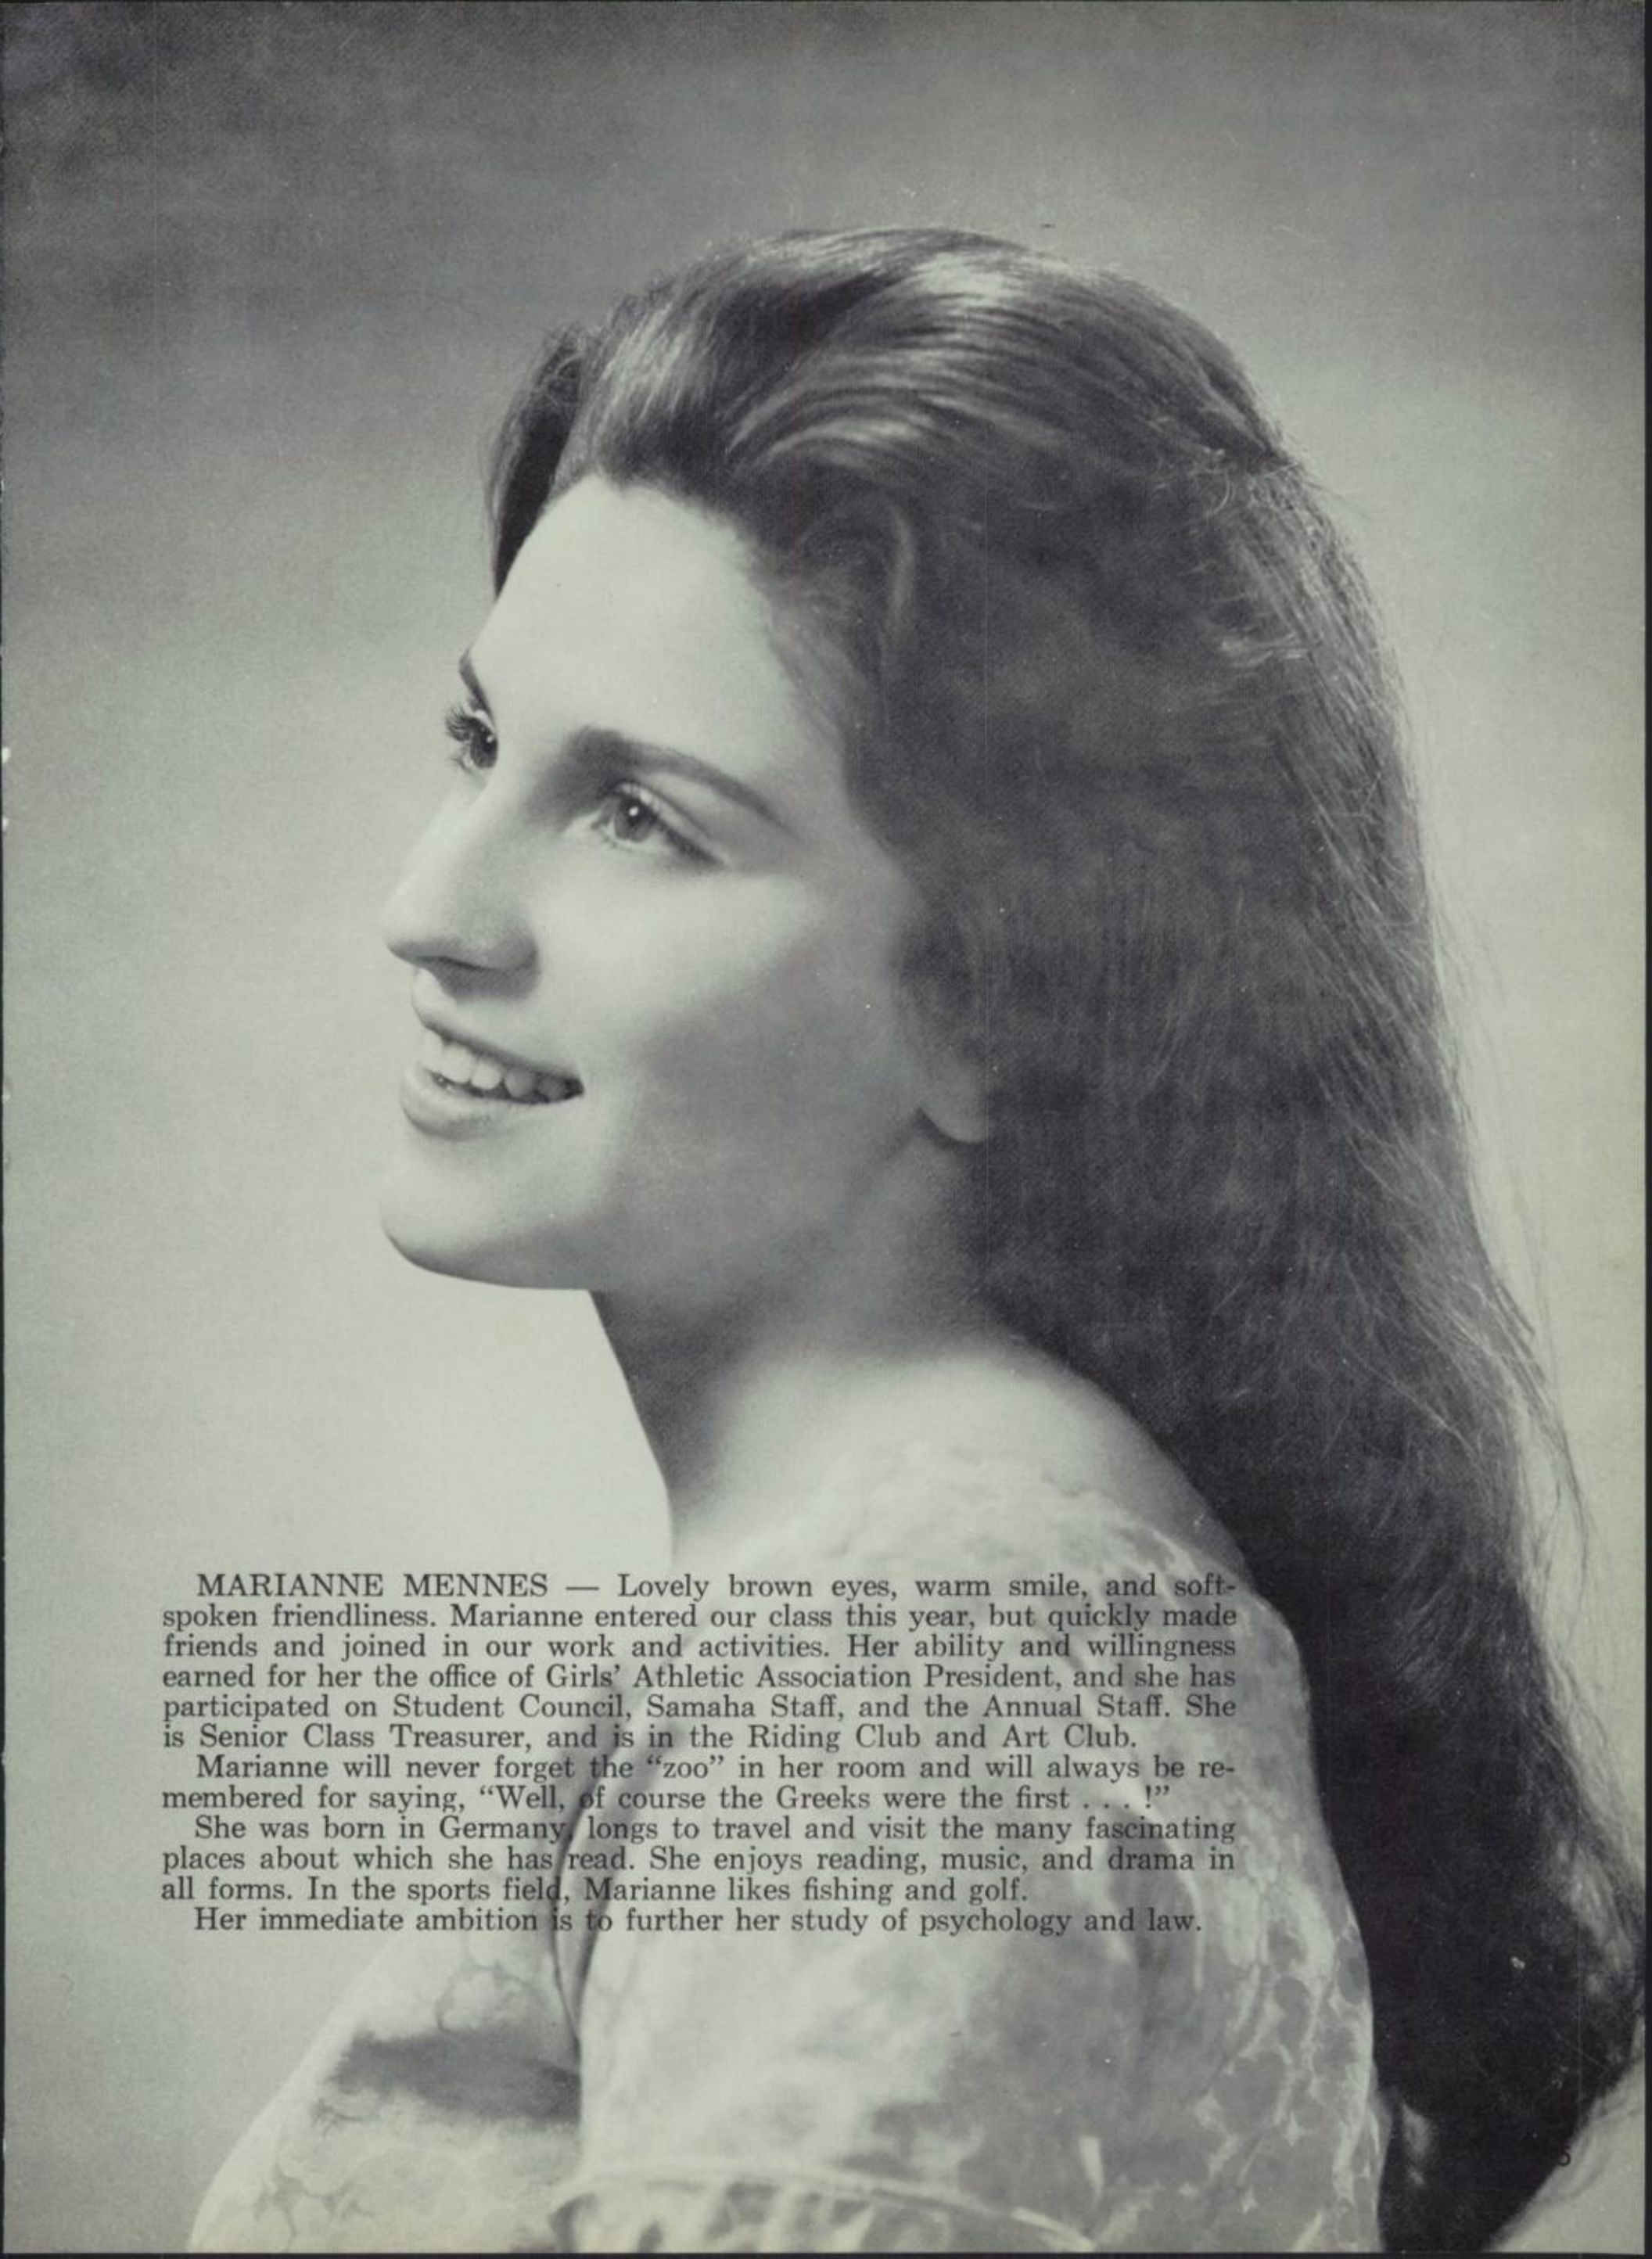


ANTOINETTE de PERINI — Pretty and slender with "Vogue-ish" hair describes Toni's gracious assets. A modest, quiet person, she spends much time studying her business courses, besides being eager to aid the Senior Class in its many activities.

Toni is a member of the Drama Club, Art Club and on the Annual Staff.

She will never forget the demerit system which seemed to haunt her, and will always be remembered for saying, "I'm sure this is Friday . . . isn't it?" Toni enjoys Jazz, water sports and long walks on the beach.

Always willing to join in the fun, and fun to be with, Toni has shown considerable cooperation and has offered her art talents to the class. Her ambition is to attend Pasadena City College in the fall and is anticipating it with much excitement.



MARIANNE MENNES — Lovely brown eyes, warm smile, and soft-spoken friendliness. Marianne entered our class this year, but quickly made friends and joined in our work and activities. Her ability and willingness earned for her the office of Girls' Athletic Association President, and she has participated on Student Council, Samaha Staff, and the Annual Staff. She is Senior Class Treasurer, and is in the Riding Club and Art Club.

Marianne will never forget the "zoo" in her room and will always be remembered for saying, "Well, of course the Greeks were the first . . . !"

She was born in Germany, longs to travel and visit the many fascinating places about which she has read. She enjoys reading, music, and drama in all forms. In the sports field, Marianne likes fishing and golf.

Her immediate ambition is to further her study of psychology and law.

KAREN SHIMADA — An Oriental beauty with dark eyes and slight figure, Kitty's geniality has been an influence on her fellow-classmates. A quiet, yet conscientious person, she studies her academic subjects diligently. She is a member of the Annual Staff on which she is always willing to contribute her efforts.

Kitty will never forget cutting her long hair in her Senior year, and will always be remembered for saying, "Did we have a Chemistry test yesterday?" She likes interior decorating, Japan and bowling. Her versatility has marked her as a congenial and fine person. A student with abilities in Math and Science, Kitty wishes to study for and fulfill her ambition to be a Medical Hygienist.

JENNIFER JAMES — Raven black hair, amiable smile, and envious poise. Jennifer's friendliness and fun-loving nature has made her a welcome member of the Senior Class. She is Senior Class Secretary and her services have been immensely appreciated in various organizations—Drama Club, Samaha Staff, Glee Club and Annual Staff. She is also a Cheer Leader.

Jennifer will never forget the numerous stuffed animals in her room and will always be remembered for saying, "There just has to be mail today!" She enjoys learning to play tennis, Broadway musicals and art work.

Because of her pleasing voice, Jennifer has been announcer for many plays and programs at school. Her home-making abilities have earned for her the Betty Crocker Home-making Award, which she proudly displays.

Jennifer hopes, in the future, to become a teacher—an ambition she has long cherished.

What is our cue?

That doesn't sound like Greensleves to me!

Do you think they're waiting for us to sing?

Say, who switched ends on me?

Will someone tell them the play is over?

Girls, you're off key again!

All right, what else did Mrs. Wright say?

You'll never make "Can Can" girls.

I certainly do have 20/20 vision!

So you've been speeding on your broom again, eh?

Okay, you tell the horse that!!
